Leg 1
Path splits, take either one
Path splits, take higher one to left
Just before rise, drop to right and follow trod along shore to CP
Grassy trod parallels gravel path; it's not worth taking but 100m beyond where it rejoins path, take trod to right.
Take trod through gap in left hand wall then follow it to right through another wall
Bum slide past 2 lone trees. Beware of embedded rocks! There's a good trod through bracken about 50m right of wall.
